Dear Ms. Miller:

The Committee for Purchase From People Who Are Blind or Severely Disabled is pleased to announce that Miller's Office Products has once again been recognized as an **"OUTSTANDING"** AbilityOne Program distributor due to your continual efforts to support the AbilityOne Program during Fiscal Year 2009.

The AbilityOne Program generates jobs for individuals who are blind or severely disabled through Federal Government purchases of certain products and services provided by nonprofit agencies employing such individuals.

Your firm achieved our "Outstanding" designation by ensuring Federal customers receive the appropriate AbilityOne items, by producing a high quality GSA Schedule catalog, and by marketing through a variety of efforts.

We appreciate the effort that Miller's Office Products has made over the years to support the AbilityOne Program.

Sincerely,

E. Ballard  
Executive Director
